- Members earn \$250 (via gift card) for each referred member who enrolls for the 2027 season
- Incoming member must not have been actively enrolled at Shining Rock Golf Club in 2026, and enroll as either a Full, Joint or Weekday Annual Member by November 20, 2026 with completed information profile

MEMBER POLICIES

Conditions of Enrollment. All annual privileges conclude December 15, 2027. Free green fees subject to course opening & availability. Starting times may be required for play. Shining Rock Golf Club reserves the right to limit enrollment based on participation and course usage. Annual Membership offerings may conclude or change at any time.

Payment. Annual Membership fees plus applicable application fees are due in-full at time of enrollment. The Club does not offer installments, monthly billing or charging privileges. Reservations for starting times require a credit card for guarantee only; charges may apply for late cancellation or no-show. Your credit card information is managed in your online player account and is not stored onsite.

Pause or Transfer. Benefits apply to the Member(s) only and may be subject to photo verification. Annual Memberships are non-refundable and non-transferable. The Club does not prorate for mid-year enrollments or bad weather that may close the courses, and there are no credits for medical leave or relocation.

Notifications. Periodically, Shining Rock Golf Club communicates with Members via email, SMS text, and other digital technologies. Members are automatically subscribed to these services. You may unsubscribe at any time through your online Member Dashboard. Shining Rock does not lend, sell or otherwise share your contact information with third parties.

Reservations. Members may reserve starting times up to ten days (10) in advance for our championship course (the Rock) and up to three (3) days in advance for our short course (the Acorn). Reservations for our championship course will be released to public players nine (9) days in advance. Online starting time reservations are limited to eight (8) per player account in each five-hour period.

Check-In. All members are expected to check into the golf shop prior to play.

Food and Beverage. All Food and Beverages must be purchased from Shining Rock Golf Club except when permitted with prior, written approval from the General Manager. Even when approved, outside Food and Beverage will not be stored at Shining Rock Golf Club more than four (4) hours in advance of service. Alcohol purchase and consumption is reserved for those Members, family members and guests aged 21 years or older and is subject to age verification. Shining Rock Golf Club is proud to practice responsible service and reserves the right to refuse alcohol service to members and other patrons who refuse age-verification requests and/or whom it deems impaired. Alcohol purchased outside the Club is never permitted for consumption on-property. Glass bottles and other glass containers must remain in the immediate clubhouse area and are not permitted on the golf courses.

Member Golf Cart Use and Rental

Trail Cart Pass. The Club does not accept or offer bulk prepayment of golf cart rental fees nor are cart rentals included with Member's Annual Payment. The Club prices cart rentals per rider. Rental cart fees are required for play whether or not Members walk. Pull cart rental is available from the Club for the Acorn Course only.

Operation. Carts may only be driven by Members or registered guests age [16]+ with a valid driver's license. Operators must follow all posted cart rules and course restrictions, keep carts off tees, greens, and restricted areas, allow no more than two riders, and never operate a cart while impaired.

Damage. The Member who signs out a cart is financially responsible for any damage to the cart, the course, or other property while it is in their possession, beyond normal wear and tear, including damage caused by their guests. Repair costs will be charged to the payment method on file.

Assumption of Risk and Release. The Member understands that cart use involves risks such as tipping, collisions, uneven terrain, and flying golf balls, and voluntarily assumes those risks. To the fullest extent permitted by law, the Member releases Shining Rock Golf Club, Alliance Golf, and their employees and agents from any liability for injury, death, or property loss arising from cart use, and agrees to cover any claims brought by third parties as a result of their or their guests' cart use.

Incidents and Privileges. All accidents or damage must be reported to the Pro Shop immediately. The Club may suspend cart privileges for unsafe operation or rule violations.
